

S. No	Name of student	Year	Title
M.V.Sc.			
1.	Dinesh Nagar	2004	“Surveillance of Diseases in Wild and Domestic Animals at Pench Tiger Reserve”
2.	Somesh Singh	2006	“Surveillance of Gastrointestinal Parasitic Infections in Native Wild Herbivores in Van Vihar National Park”
3.	G. Venkatesan	2006	“Gross and Microscopic Study of Hair of Native animals for Species Identification”
4.	Dinesh kumar Tiwari	2007	“Health Evaluation and Surveillance of parasitic Infection in Barasingha and Coinhabitant”
5.	Devendra N. Podhade	2007	“Studies on Characteristic Features of Appendicular Skeleton of Leopard As An Aid in Wildlife Forensic”
6.	Rohit Singh	2008	“Studies on prevalence of gastrointestinal parasitic infections in wild herbivores in Bandhavgarh Tiger Reserve”
7.	Rakesh Prajapati	2008	“Studies on Characteristic Feature of Axial Skeleton of Leopard As An Aid in Wildlife Forensic”
8.	Sahnaz Amin	2010	“Studies on prevalence of disease and Haemato biochemical parameters of Gharial (Gavialis gangeticus)”
9.	Mushtaq Ahmed Bhatt	2010	“Gross and Microscopic Study of hair of some native and Wild Animals”
10.	Solomon Shiferaw	2010	“Comparative Study of Hair morphology of some Native animals of Species Identification”
11.	Nidhi Rajput	2011	“Characterization of 12S rRNA gene for meat identification of wild and domestic small herbivores”
12.	Amol Rokde	2012	“Assessment of Buffon Quality Fed to Captive Tigers in Madhya Pradesh”
13.	Himanshu Joshi	2012	“Pathological Studies on Gharial (Gavialis gangeticus)”
14.	Francis Lalmangahia	2013	“Sureillance of Tuberculosis in Captive Sloth Bear”
15.	Abhay Sengar	2014	“Surveillance of Parasitic Infection in Native Wild Animals of Panna Tiger Reserve”
16.	Gaurav Shrivastava	2014	“Genetic Differentiation of Indian Wild and Domestic Pigs Mitochondrial D-Loop Region”
17.	Sunil Goyal	2014	“Surveillance of Tuberculosis in Captive Felids of Madhya Pradesh”

18.	Amit Oad	2015	“Characterization of 12S rRNA Gene for Species Identification of Common Wild and Domestic Birds”
19.	Vinay Indoriya	2016	“Analyzing and Managing the Human-Wildlife –Conflict, Health and Welfare in Jabalpur Forest Division Madhya Pradesh”.
20.	Onkar Anchal	2017	“Surveillance of Schistosomiasis in Captive Elephants of National Park of Madhya Pradesh”
21.	Jhanvi M. Chitariya	2017	“Studies on health and hepato-renal functioning of free ranging chital at Pench Tiger Reserve.”
22.	Rajeshwari Markam	2017	“Surveillance of major infectious diseases in feral dogs around Panna Tiger Reserve (MP) and their risk assessment to wild carnivores”
23.	Ranjeet D.Harne	2017	“Development of Standard Operating Procedures for Physical Rescue and transportation of wild animals at territorial forest divisions”.
24.	Shivam Jar	2018	“Health Investigation of Rescued Checkered Keelback (<i>Xenochropis piscator</i>) and Indian Rat Snake (<i>Ptyas mucosa</i>)”
25.	Nilesh Bhaydiya	2018	“Surveillance of Gastrointestinal Parasitism in Wild Herbivores in Satpura Tiger Reserve”
Ph.D.			
1.	Himanshu Joshi	2016	“Evaluation of Kinships using Microsatellite Markers and Its Association with Growth in Gharial (<i>Gavialis gnageticus</i>) Hatchlings”
